

Banana Split Recipe

A. Reading

Banana splits taste delicious, and they are fast and easy to make. First, put a scoop of vanilla ice cream, a scoop of chocolate ice cream, and a scoop of strawberry ice cream in an oval bowl. Then, pour strawberry, butterscotch, and pineapple syrup over the scoops of ice cream. Next, top each scoop of ice cream with whipped cream, chopped nuts, and a cherry. Finally, peel a ripe banana and cut it in half lengthwise. Put the banana halves on opposite sides of the bowl. Be sure to have plenty of napkins because banana splits are messy to eat.
